		Remark on board June 11th
		First part of this day moderate some fog during the night cleared some in the morning set jib and flying jib at 6 Am saw sperm Whales lowered the boats but did not get fast came on board hoisted the boats got dinner stood along raised the whales again
		Lat by estimation 50 26 N
		Long 39.48

Course Wind W

Remarks Wed June 12th
Cloudy with some light
squalls lowered down the
boats. Mr Sharp the second
mate struck a Sperm Whale
the Whale immediately
started to the windward soon
lost sight of him from my
boat the sea was quite rough
some rain squalls & at
duration got up to the
S.E. hoist the boat up and
worked the vessel to windward
on short tack lost sight of
the last boat at 3 PM. still
working to windward until
dusk Hove the Schr to on
the starboard tack in lying
to and the wind on sea
increasing with rain squalls
at 8 light airs and fair in
the morn cleared up set the
jibs and wore ship saw nothing
of the missing boat

Vessing from SW NW Westerly

Lat by Ob 49.24 N
Long 39-2

Remarks Thursday June 13th
First part of this day moderate
and clear saw nothing of the
missing boat middle part very
little part blowing a gale with
a heavy sea running furled the
jibs reefed the fore sail
saw nothing of the missing Boat

Lat by Ob 49 36 N

S W Flores in sight

Lat by Ob 39 [illegible]

Remarks Monday June 24th 1889
S E | N E | moderate pleasant weather
saw Papal at 3 AM saw a shoal of
Sperm Whale Lowered and beat
Struck and killed the whale line
got cut or the whale got loose
some way and we lost him

Remarks Tues June 25th 1889
Fine weather looking for the
last Whale saw nothing of him
Left off Brown the 3rd Lone
of Fayal and have too steered
to the west a fair light row Com-
came to anchor at half past
ten A.M. furled sails

Remark Wed June 26th 1889

At anchor in Fayal Roads
weather fine the top of
the Island of Pico in sight
at 12 M steamer weigh anchor
hands employed getting the oil
ready to ship to the states

Remarks Thur June 27th
At anchor in Fayal Roads
discharged the oil into a shore
lighter took on board 60 tons
of water mail steamer arrived
this morning

Remark Friday June 28th 1889
In the morning misty soon
brushed away gave us a pleasant
day a Bark to leeward working
up.

Remarks Sat June 29th 89

Light winds and pleasant
Scraped & Painted and stopped the
masts

Remarks June 30th
Weather fine still at anchor
in Fayal Roads

Remarks Monday July 1st 1889
Pleasant weather at anchor
in Fayal Roads

Remarks on board Thursday July 2nd 1889
During this day pleasant
getting ready to sail at 7 P.M.
hove in 5 fathoms of chain
waiting for the Tobacco to come
on board about 4 P.M. got through
with the Custom officials weighed
anchor and stood out to the
northward and westward
